Prompt disposal of application for-

GOVERNMENT OF BOMBAY.

FINANCE DEPARTMENT.

Circular No. 3266/33.
Bombay Castle, 7th November 1951.

CIRCULAR.

During recent years, Government has issued several ~~xxx~~ orders (vide Government Resolution , Finance Department, No. 3266/33, dated 8th January 1946, Government Circulars of even numbers dated the 28th June 1947, 30th November 1949, and Circular Memorandum of 23rd May 1951) impressing upon the authorities competent to sanction pension, the necessity of sanctioning pension in such a way that a retiring Government servant begins to receive his pension from the first of the month following the month in which he retires. In order to ensure prompt disposal of pension cases, Government has made necessary modifications in ~~xh~~ the Bombay Civil Services Rules (vide paragraph 2 of Government Resolution~~xdm~~ Finance Department No 3266/33, dated the 8th January 1946, and Government Notification , Finance Department No. 3266/33 , dated the 14th June 1950) and has issued detailed instructions (vide Government Resolution , Finance Department, No. ~~32x~~ 3266/33, dated 8th January 1946, and Government Circular Finance Department No. 3266/33, dated 3rd August 1951) for the ~~gx~~ guidance of those ~~xx x~~ whose duty it is to prepare the pension papers, . There is, therefore, no reason now why there should be any delay in sanctioning pensions to retiring Government servants Cases have been reported to Government in which pensions have not been sanctioned for a very long time. Government, therefore, desires once more to impress upon all the authorities competent to sanction pension the necessity of making every effort to dispose of pension applications expeditiously so as to ~~xx~~ enable a retiring Government servant to draw his pension (if not final, at least provisional) from the first of the month following the ~~xxxxx~~ month in which he retires.

Pension:
Procedure for the grant of

GOVERNMENT OF BOMBAY.

FINANCE DEPARTMENT.

Resolution No. 2736/33.
Bombay Castle, 28th November 1951.

Resolution of Government.

Under Bombay Civil, Services, Rule 212 (a)x cases in which the Audit Officer finds that the provisional recommendation made by the authority competent to sanction the pension under clause (c) of Bombay Civil Services Rule 198-B is in order it is not necessary for him to sent a certificate to xx the sanctioning authority as to the correctness of the calculations of service and pension, while inxx other cases he has also to do so. Bombay Civil Services Rule 213, (a) lays down that a pension xx which is certified by the Audit Officer to be clearly and strictly admissible under the rules may be x sanctioned by a competent authority. This has given rise to the wrong impression that formal sanction is not necessary in a case in which the Audit Officer does not sent a certificate to the sanctioning

authority, but merely issues a pension Payment Order as prescribed in Bombay Civil Services, Rule 212(a) . Government is therefore, pleased to direct that

(a) the procedure prescribed in Bombay Civil Services Rule 212 (a) was introduced solely in order to avoid hardship to a pensioner caused by undue delay in the observance of all the necessary formalities,

(b) the issue of a Pension Payment Order under Bombay Civil Services Rule 212 (a) doesnot obviate thenced for the issue of formal sanction to the pension by the competent authority under Bombay Civil Services Rule i 231 (a), and

(c) the payment authorised by the Audit Officer is only provisional and formal sanction to he pension has to be issued by the competent authority in every case.

2. Government desires that all authorities competend to sanction pension should obscrve these requirements scrupulsly. Government also disires to impress upon the authorities competant to sanction pension the need for taking into account the provisions of Bombay Civil Rules 188 and 213 -A before a pension is finally sanctioned.

3. It is noticed that here are cases in which certain sums are due to Government from a Government servant at the time of his retirement, e.g., over issues of pay, allowances or leave salary or admitted or obvious dues such as house rent Postal Life Insurance Premia, outstanding balances of various advances, etc. These sums cannot, broadly - speaking, be recovered from the pension of a Government servant. Government is, therefore, pleased to direct that authorities sanctioning pension should ensure that these outstanding sums are brought to the notice of the Government servant concerned with the least possible,delay, and that he is requested to pay up the dues before . formally sanctionin the final pension. It is emphasised that while recov should be made before the pension is finally san care should be exercised to ensure that th avoidable delay either in informing the Gover

concerned of the total amount due by him to Government or in sanctioning the final pension after this amount has been recovered.
